

MONTAGE AF RIST OG SIDER

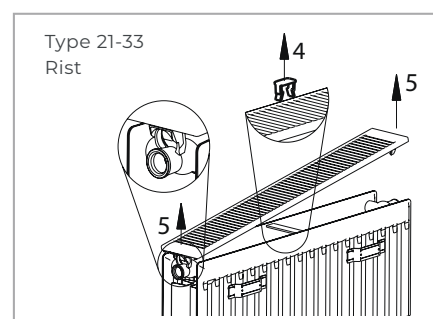

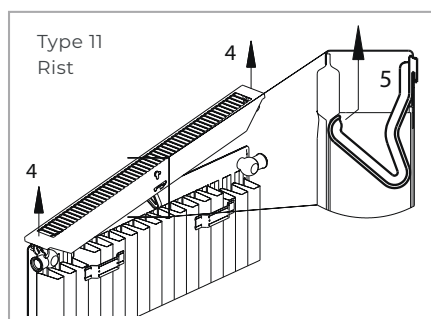

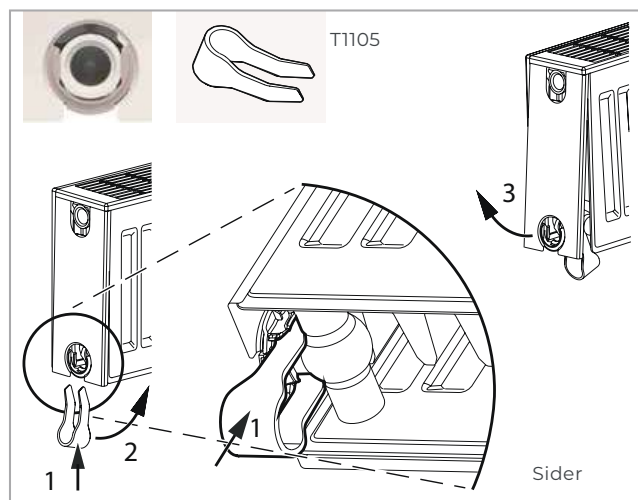

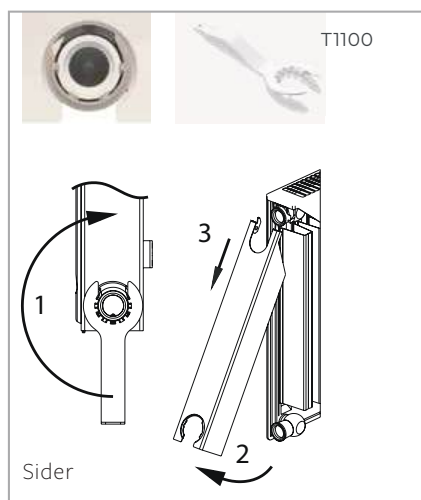

I løbet af 2023 har vi introduceret en ny og mere brugervenlig C-clip til montering af sider på vores radiatorer. Vores produktion bruger udelukkende den nye C-clip, men indtil vores lagre af radiatorer er brugt, vil der være en periode, hvor begge C-clips kan forekomme.

DEMONTERING

Gammel Clip - kan demonteres med varenummer T1100

Ny Clip - kan demonteres med varenummer T1105
